COMPANY PROFILE

JUST TOOLS

EXCELLENCE SINCE 2007

Just Tools was founded in 2007 by Mr. Dave Botterill as a specialist supplier of quality tools and engineering equipment.

The Just Tools team aims to ensure that each customer receives the best service we have to offer. Customer satisfaction is a key objective for the company.

The Just Tools customer base has expanded beyond the borders of South Africa into Mozambique, Swaziland, Lesotho, Zambia, Kenya, and Mauritius, with weekly deliveries to Mozambique, Swaziland, and Lesotho.

Just Tools attributes their growth and success to the professional and exceptional service delivery provided by the company, as well as the relationships established with their customers.

JUST TOOLS LOGISTICS

The company operates from 31 Oppenheimer Street, Pinetown. This double-story facility houses, our administration office, export department, our retail outlet that supplies our local customer base and our engineering workshop.

Just Tools also has a Depot at Butha-Buthe, Lesotho, from where we supply mines, hotels, and engineering companies in Lesotho. Just Tools Lesotho is managed by Mr. Thabo Semelane, a Lesotho citizen who is also a shareholder and director of Just Tools Lesotho.

Transport and Logistics: Most deliveries are carried out by our own fleet of trucks and vans, we deliver to Eswatini, Mozambique and Lesotho every week. However, we utilize a courier company to expedite urgent orders to Eswatini. This courier service will deliver to your site in Eswatini from Monday to Thursday every week.

Just Tools also manufactures and exports sugar bag stacking machines.
